Subject: Patrol Daily Shift Roster Inspection Summary,
October 2016
BI2016-0127

Date: 11/28/2016
Report Period:
October 1-31, 2016

The Audits and Inspections Unit (AIU) will conduct inspections of daily shift rosters on an on-going monthly basis to determine if the rosters are in compliance with Office Policy and in support of the Melendres Order. The daily shift rosters are uniformly inspected utilizing a matrix developed by the BIO, in accordance with procedures outlined in Policy GB-2.

Matrix Procedures:

- A Daily Shift Roster is completed for each work shift.
- Supervisor span of control is in accordance with MCSO Policy GB-2 and the Melendres Order.
- Shift Supervisor positions are being filled by employees with the rank of Sergeant, Lieutenant, or above in accordance with MCSO Policy GB-2.
- Supervisors are assigned to and work the same days and hours as the deputies under their direct command, absent exceptional circumstances.

Criteria:

MCSO Policy GB-2, Command Responsibility
Melendres Order, Paragraphs 84, 86 and 275

Conditions:

An inspection of all patrol Daily Shift Rosters was completed for the month of October 2016. Due to possible specialty assignment squads and the variance of days in a month; the total number of shift rosters will vary each month. There were a total of 850 rosters in October available for inspection; 850 or **100%** of the rosters were inspected.

MCSO achieved a compliance rate of **100%** in the Daily Shift Roster inspection of October 2016, as illustrated in the graph below:

Recommendations:

It is recommended supervisors continue mentoring staff in the proper completion of the Daily Shift Rosters, keeping in mind the importance of uploading the document to the U-Drive in a timely manner. In doing so, all Daily Shift Rosters will be made available for inspection. In addition, it is recommended Division Command periodically review the shift rosters for accuracy and completeness.
