Memorandum

To: Captain B. Roska S0878
 Commander
 Bureau of Internal Oversight

From: Sergeant M. Rodriguez A9047
 Audits and Inspections Unit
 Bureau of Internal Oversight

Subject: Summary of Findings Report
 Detention Personnel, April 2017
 Supervisor Note Inspection BI2017-0052

Date: 05/09/17

The Audits and Inspections Unit (AIU), of the Bureau of Internal Oversight (BIO), will conduct Blue Team Supervisor Note entry inspections on an ongoing basis. The purpose for the inspection is compliance with Office Policies and to promote proper supervision. To achieve this, inspectors will select for review the Supervisor Note entries for 50 randomly selected Detention Personnel for the month being inspected. To ensure consistent inspections, the *Supervisor Note Inspection Matrix* developed by the AIU will be utilized.

Matrix Procedures:

Utilize the Supervisor Note Inspection Matrix to ensure that each randomly selected employee received one Supervisor Note entry during the period being inspected, and that the Supervisor Note was of sufficient quality to document the employee's work performance (reflects the employee's positive traits; accomplishments; any observed shortcomings; and can be used to facilitate the preparation of an accurate and detailed performance review), and that the selected employees' EIS information was reviewed.

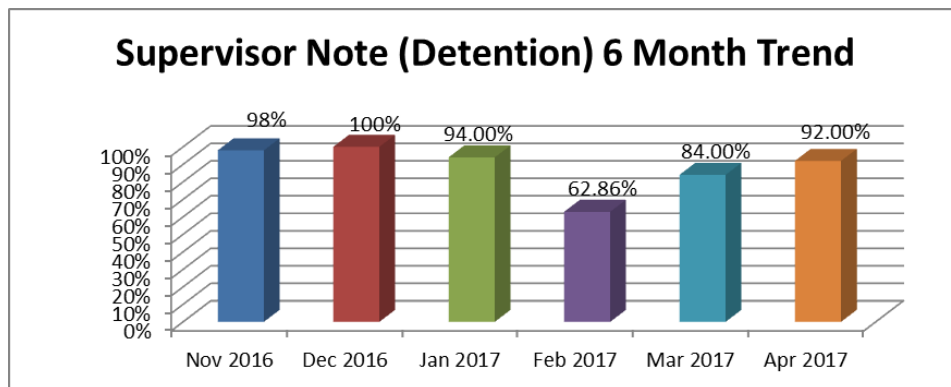

Criteria:

MCSO Policy GB-2, *Command Responsibility*

Conditions:

The inspection found that 46 of the 50 employees, or **92%**, had the required monthly Supervisor Note entries and were in compliance with MCSO Policy GB-2.

A historical comparison of the last six months of Blue Team data indicates that the Supervisory Note compliance rate for Detention Personnel has steadily improved from the downturn that can be directly attributed to the recent requirement that supervisors of non-sworn employees document the review the employees' EIS Information.

The following potential deficiencies in the employees' Supervisor Note entries were identified:

Employee's Notes Inspected	Employee's Supervisor	Division	Division Commander	Potential Deficiency
Detn Ofcr	Detn Ofcr Sgt	5122-TENTS JAIL	Detn Ofcr Lt	No Supervisor Note entry was made in April
Detn Ofcr	Detn Ofcr Lt	5131-LOWER BUCKEYE JAIL	Detn Ofcr Captain	Supervisor Note entry made in April does not document employee performance or review of EIS information
Detn Ofcr Sgt	Shrf Lnd Supv	5133-CENTRAL SERVICES - LAUNDRY	Det SP Pr Mgr	Supervisor Note entry made in April does not document review of EIS Information
Detn Ofcr	Fd Svc Sh Spv	5135-CENTRAL SVCS - FOOD SVCS	Fd Serv Mgr	Supervisor Note entry made in April does not document review of EIS Information

PLEASE NOTE: *The Supervisory Note Inspections represents a monthly snapshot in time and any deficiencies noted are the responsibility of the Supervisor and the Chain of Command at the time the entry was made. Any inaccuracies in command structure due to transfers or other changes are outside the control of the Audits and Inspections Unit.*

Recommendations:

It is recommended that Management continue to provide on-site mentorship to supervisors in the importance of ensuring that Supervisory Note entries are used to document a specific employee's performance and should be of sufficient quality as to give a true assessment of the employee's performance during a particular period as required by MCSO Policy GB-2, *Command Responsibility*, Paragraph 7.B and its subparagraphs. To accomplish this goal, the Supervisory Note entries need to specifically document the following requirements:

- The Employee's work performance during the last 30 day period.
- Once a month, supervisor's review of non-sworn subordinates' EIS information for the purpose of identifying and responding to any conduct patterns or concerns.
- Maintain a written record of the performance of each employee in the EIS Blue Team Supervisor Notes application. The record shall reflect the employee's positive traits and accomplishments and any observed shortcomings.
- Supervisor Note entries shall be of sufficient quality and frequency to facilitate the preparation of an accurate and detailed performance review, but **at a minimum, one entry shall be completed every month.**

Action Required:

With the resulting **92%** compliance for *Inspection BI2017-0052*, a total of **Four** BIO Action Forms are requested from the affected divisions. **The forms shall be completed utilizing Blue Team.** It is permissible to complete one BIO Action Form for a supervisor covering multiple potential deficiencies identified in this inspection.

Notes:

All supporting documentation (working papers) is included in the inspection file number *BI2017-0052* and contained in IA Pro.
