**TraCS Discussion Inspection: June 2023**

Inspection Report# BI2023-0108

The Audits and Inspections Unit (AIU) of the Sheriff's Office Bureau of Internal Oversight (BIO) will conduct monthly inspections of the TraCS Discussion of traffic stops to ensure compliance with Office Policies, promote proper supervision, and support the requirements set forth in the Court Order. Inspectors will utilize the TraCS System and a sample of randomly selected employees from each district for review. The TraCS Traffic Stop Discussion will be uniformly inspected utilizing a matrix developed by the AIU, in accordance with the procedures outlined in policies EA-11, EB-1, GB-2, and Melendres Court Order Paragraph 85.

**Compliance Objectives:**

Utilizing the TraCS Traffic Stop Discussion Matrix, review each selected deputy TraCS data to ensure the following for June 2023:

- Determine what district the traffic stop data originated from
- Verify the supervisor individually discussed each traffic stop completed within a monthly time frame by applying the "Discussed with Deputy" indicator
- Each Traffic Stop inspected will be counted as one inspection

**Criteria:**

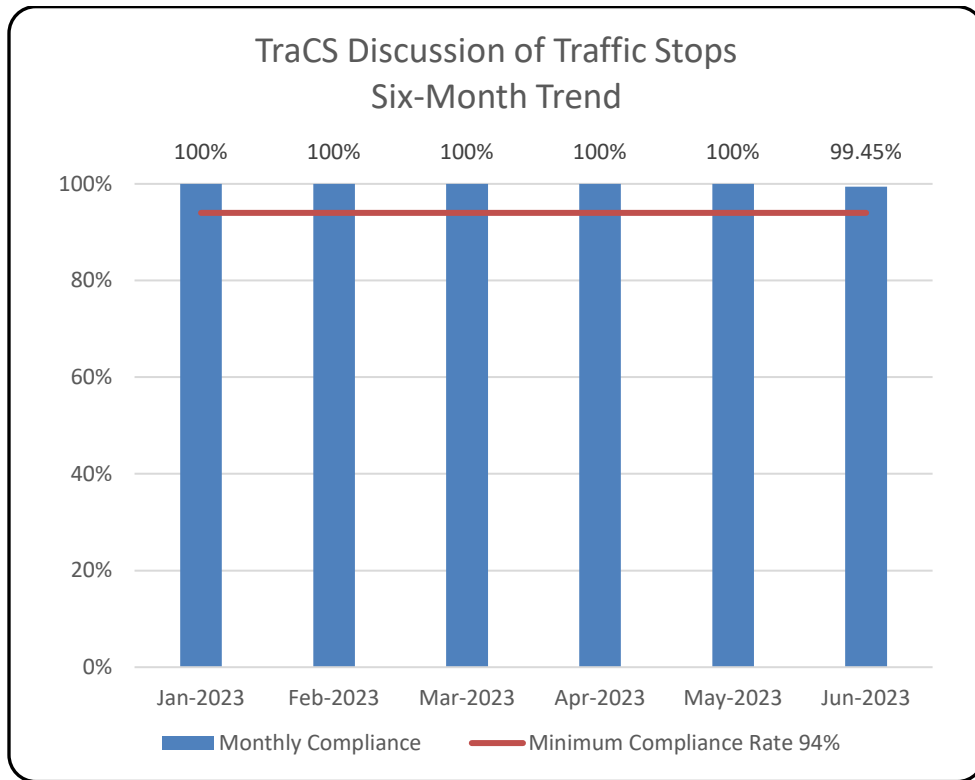

MCSO Policy EB-1, *Traffic Enforcement, Violator Contacts, and Citation Issuance*

MCSO Policy GB-2, *Command Responsibility*

**Conditions:**

MCSO's assigned Court Monitors provided a sample of 20 Deputies from all Patrol Districts for the Discussion Inspection covering data from June 2023. The sample of 20 Deputies provided a total of 181 traffic stops available for inspection; all 181 (or 100%) of the traffic stops were inspected.

MCSO achieved a compliance rate of **99.45%** in the Discussion of Traffic Stops for the month of June 2023, as illustrated in the table below:

The compliance rate for each division is illustrated in the table below:

District	Dist. 1	Dist. 2	Dist. 3	Dist. 4	Lakes	District 7	Total
<b>In Compliance</b>	2	33	4	35	20	86	180
<b>Total Stops</b>	2	34	4	35	20	86	181
<b>Compliance %</b>	100%	97.06%	100%	100%	100%	100%	99.45%

It should be noted that the completion of a Discussion Inspection is dependent on when AIU receives the sample from the Court Monitors.
