Bureau of Internal Oversight

Audits and Inspections Unit

**Complaint Intake Testing Inspection July 2022**

Inspection # BI2022-0106

The Bureau of Internal Oversight's (BIO) Audits and Inspections Unit (AIU) conducts Complaint Intake Test inspections on a monthly basis. The purpose of this inspection is to determine employee compliance with Office Policies GH-2, *Internal Investigations* and GI-1, *Radio and Enforcement Communications Procedures* as they relate to the civilian complaint intake process. To ensure consistent inspections, the *Complaint Intake Testing Matrix* developed by the AIU is utilized.

To achieve this, the AIU will conduct monthly inspections of the complaint intake tests completed by an outside vendor selected by the MCSO for this purpose. This vendor is responsible for having testers file fictitious complaints either in person at MCSO facilities, by telephone, by mail, by e-mail or by using MCSO's website to determine if MCSO employees process the intake of complaints in accordance with MCSO policy.

The vendor has been issued open Purchase Orders for Fiscal Year ending June 30<sup>th</sup> which allows for random and targeted tests to allow MCSO to assess the complaint intake process. The vendor determines the number of tests it will conduct and when and how it will conduct these tests. Additionally, the vendor has submitted testing methodologies and testing paperwork which has been approved by the AIU. These methodologies include the requirement to audio and video record all in-person tests and audio record all telephone tests. The testing vendor will adhere to these methodologies when conducting complaint intake testing for the Office.

**Compliance Objectives:**

- Are employees providing civilians with appropriate and accurate information about the complaint process?
- Are employees promptly notifying the Professional Standards Bureau (PSB) upon the receipt of a complaint?
- Are employees providing the PSB with accurate and complete information?
- Are employees attempting to discourage, interfere with, or delay civilians from registering a complaint?

**Criteria:**

MCSO Policy GH-2, *Internal Investigations*

MCSO Policy GI-1, *Radio and Enforcement Communications Procedures*
